Hi Jean;

As a follow-up to our conversation PSPC will be installing barriers (Downtown Ottawa situation) at the entrance to the parking lot on the east side of the PANL building (see pic). The request was received from the Parliamentary Precinct from the Parliamentary Precinct Protection Services. The barriers will be installed shortly.

We have advised BGIS and PSPC's Events and Conferencing Management.

Thank you for your support and please don't hesitate to call if you have any question.
